

SUMMER EVENT  
JUNE 2025

**Boozt** MEDIA  
PARTNERSHIP

We hosted an unforgettable summer dinner with Christina and chef Louisa Lorang, who prepared a vibrant seasonal meal using Zwilling's premium cookware. The evening brought together a group of inspiring influencers for a relaxed gathering filled with great conversation, delicious food, and a warm, summery atmosphere. The event beautifully showcased how home brands like Zwilling, Eva Solo, and OYOY can be effortlessly mixed to create a stylish and functional dining experience.
